

## Scorpion Tower: One Thousand Museum “Most Groundbreaking Skyscraper Ever Built”

Here's your chance to get an inside look at construction of Zaha Hadid's One Thousand Museum, thanks to a new PBS documentary.

In the show, a narrator calls the tower “the most groundbreaking skyscraper ever built,” while a description states that it is “one of the most complex skyscrapers ever to make it off the drawing board.”

Construction got underway in late 2014, with completion scheduled for later this year.
